

FINANCIAL AID REQUEST FORM

for **RECENT ADVANCES IN CONSERVATION GENETICS**

Course Date: August 17-30, 2002

In most cases, it is expected that the cost of attending the course will be shared among the student, his/her home institution, and the American Genetic Association in a three-way commitment. We expect that you will discuss this obligation with your institution and request/secure financial aid that can be applied toward these expenses should you be accepted as a participant in the course. If you are applying for financial aid from the AGA, you must provide the requested information below. *Applying for financial aid will not affect your opportunity for admission to the course.*

Estimated Expenses:

Course tuition: US\$ 2,000.00

(includes: housing & meals from evening of 17 August through noon
30 August and transportation from Dulles International Airport to Front
Royal on 17 August and back to Dulles on 30 August)

Travel expenses to and from Dulles International Airport (arrive
afternoon of 17 August, depart afternoon of 30 August) US\$

Total Estimated Expenses: US\$

Estimated Resources:

Contribution from your institution US\$

Support from other sources US\$

Personal resources US\$

Total Estimated Resources: US\$

Funding yet to be secured:

(Resources subtracted from Expenses) US\$

The AGA will provide a **portion** of this amount to selected participants.

If applicable, please describe any financial considerations associated with your participation in the course, should you be accepted. Use an additional sheet of paper if necessary.

Applicant's signature _____ Date _____
